RE: Milliman Quarter Horses Scholarship Application

Dear Applicant,

Thank you for your interest in our scholarship program. The scholarship is available to any 2021 graduating senior that has attended at least five (5) of our races in the past two (2) years through October 15th of this year.

This will be a \$250 scholarship to use as you see fit. The check will be made out to the winning applicant AND either one (1) parent or guardian. The scholarship panel will consist of three (3) impartial judges that are not familiar with our barrel racers and applications will be submitted to the panel with an application number only, no names.

This application is due October 15th to Milliman Quarter Horses by regular mail, attached via email, or sent through Facebook Messenger. Upon receipt, Milliman Quarter Horses will let you know that we have received your application.

If you have any additional questions about the application process, please let us know.

Thank you and good luck with your scholarship application.

Sincerely,

Milliman Quarter Horses
